

Sevenoaks visit to KitezH April 2015

Letter from a 17 year old student at Sevenoaks School.

'I wanted to say a proper thank you to everyone but I haven't been able to so hopefully this will say it for me.

Thank you so much for welcoming us with open hearts into your lives. Everyone here is so nice and have huge hearts that are warm and kind. As soon as I stepped off the bus on Sunday I felt at home straight away. It is sad that I have to leave, because I love this place and everyone here. I have never felt more at home in any other place I have been to. Four days is too few to spend here, which is why I want to say that I will do my best to return and stay here for longer, and hopefully there will be old faces and new faces again. I will do all I can to return.

But for now all I can say is thank you, thank you, thank you for such a wonderful time and the lifelong memories that will always stay with me.

KitezH will always be in my heart.

Lots of love today and always,

V.'
